

REMARKS

The Examiner has allowed claims 1-21, but rejected claims 22-25 under 35 U.S.C. 101 for lacking active process steps. Accordingly, Applicant has amended claims 22-25 by changing the word "isomerization" (n.) in claim 22 to an action word "isomerizing," and placing it into the claim body language as an active step of the process. Claims 23-25 have also been amended to be consistent with the amendment of claim 22. The amendments are fully supported by the original claims, the specification starting from line 5, page 5, to line 8, page 6, and the Examples from page 7 to page 10.

Applicant respectfully requests that the Examiner reconsider amended claims 22-25 and allow all remaining claims 1-25. Applicant respectfully invites the Examiner to telephone his attorney, Mr. Shao-Hua Guo, at (610) 359-6059 if a discussion of the application might be helpful.

Respectfully submitted,
Wilfred Po-sum Shum
